

Individual Transfer on Death Account Agreement

STEP 1. ACCOUNT INFORMATION

Account Title	Account Number
---------------	----------------

STEP 2. AUTHORIZATION AND AGREEMENT

I, the undersigned, authorize Pershing LLC ("Pershing"), as clearing agent for _____, my broker-dealer, to open a Transfer on Death account according to the terms and conditions set forth herein. This Agreement does not supersede or in any way affect any other agreements executed by me for my account, and I agree that I continue to be bound by any such agreements.

1. During my lifetime I shall retain full ownership of the securities held in my account. Only I may give instructions to transfer, purchase, or sell securities, money, or other property for my account.
2. Upon receipt of notice of my death, as defined hereunder, Pershing shall, without requiring any further instruction from any other person or entity, transfer all money, securities, and other property from my account to separate new account(s) opened for the person ("Beneficiary") or persons ("Beneficiaries") named in Step 3 below or, if permitted by applicable law, Contingent Beneficiary or Contingent Beneficiaries named in Step 3 below, subject to the terms and conditions set forth herein. In keeping therewith, the terms Beneficiary and Beneficiaries shall include Contingent Beneficiary and Contingent Beneficiaries, if applicable. If more than one Beneficiary is named and no percentages are indicated, payment shall be made in equal shares to each Beneficiary or, in the event of death of a Beneficiary, the respective Contingent Beneficiaries that survive me.

Each Contingent Beneficiary listed below a beneficiary shall be treated as Beneficiary in the event that the Beneficiary named above him or her should predecease me.

Any such transfer of money, securities and other property from my account is subject to any and all existing liens, pledges, mortgages, securities account control agreements or equivalents or other security interests granted against the money, securities and other property to Pershing, my broker dealer, or other third party. Any such liens, etc. must be satisfied prior to transfer to a Beneficiary unless otherwise agreed to by Pershing.

3. If any Beneficiary is a minor in the relevant jurisdiction at the time of Pershing's receipt of notice of my death, and Pershing is notified of such fact, that Beneficiary's shares shall be transferred to a custodial account or other fiduciary or guardianship account for his or her benefit upon receipt of appropriate documentation.
4. Pershing shall be considered to be on notice of my death, any changes in Beneficiary, or other information regarding my account on the date on which it receives a copy, sent by mail, fax, or other acceptable means, of the required documentation. In the case of my death, Pershing must receive a copy of the death certificate and any other documentation required to complete the distribution of the proceeds of my account. In the event of any changes in Beneficiary, Pershing must receive a new Transfer on Death Account Agreement executed by the account holder. Pershing is not obligated to accept change(s) and/or revocation of beneficiary designation by the account owner by the provisions of a Will or a codicil to a Will.
5. During my lifetime, the securities in my account are to be registered and held in the name of Pershing LLC or other street or nominee name. If necessary to facilitate delivery or transfer of the securities, however, Pershing has the right at any time, and without further authorization, to register the securities held in my account in my name or otherwise in accordance with transfer agent requirements, without the names of any of the Beneficiaries thereon. I understand that such right is necessary as not all issuers, states, transfer agents, or financial organizations recognize transfer on death registration.
6. If any of the Beneficiaries should predecease me, then my account will pass only to the surviving Beneficiary or Beneficiaries, including the respective Contingent Beneficiary(s), if applicable. I understand that Pershing LLC will use the "per capita" method of beneficiary designation, in which a particular beneficiary's rights end with the death of that Beneficiary and Contingent Beneficiary. For example, if Beneficiary A and Contingent Beneficiary A both predecease the account holder then the beneficiary interest is transferred in equal shares to the remaining Beneficiaries B and C or their respective Contingent Beneficiaries. A predeceased Beneficiary's or Contingent Beneficiary's estate shall have no claim to or interest in my account. If no Beneficiary survives me, then the proceeds of my account shall pass to my estate.
7. If any securities or other property in my account cannot, for any reason, be partitioned and transferred to any of the Beneficiaries equally, Pershing shall, to the extent necessary, liquidate securities or other property and transfer the proceeds of that sale equally among the Beneficiaries.
8. If any Beneficiary is or becomes married to me, then the dissolution of our marriage shall have no effect on the designation of Beneficiary unless and until Pershing receives notice to the contrary through the receipt of a new Transfer on Death Account Agreement. Pershing shall not be obligated to change a beneficiary designation by the provisions of a Divorce Agreement, except where ordered by a court of competent jurisdiction.
9. If this account or any other of my accounts held at Pershing reflect a debit balance upon my death, Pershing may use its discretion to liquidate any securities in this or any of my accounts required to satisfy that debit prior to distribution of any money, securities or other property to the Beneficiary or Beneficiaries.

10. Prior to any distribution of the money, securities, or other property in my account, Pershing shall have the right to require a Beneficiary, or the legal representative of a Beneficiary, to execute additional documents, including but not limited to, a Margin Agreement or LoanAdvance Lending Agreement.

11. In connection with Pershing's acting in compliance with this Agreement or LoanAdvance Lending Agreement, or any document Pershing reasonably believes amends this Agreement, I and my estate agree to indemnify and hold Pershing, its affiliates, directors, officers, agents, and employees, and their heirs, executors, administrators, successors, and assigns, harmless against any loss, claim, suit, damage or expense (including reasonable attorney's fees), including but not limited to:

- the Beneficiary or Beneficiaries and/or my heirs, successors, spouse(s), and offspring from any actions taken in opening and maintaining my account, registering my securities or other property, or making the distributions upon receipt of notice of my death;
- any conflicting designation of Beneficiary or Beneficiaries and their respective Contingent Beneficiary or Contingent Beneficiaries made in my Will or codicil of my Will, revocable living trust, or any other document signed by me.

12. Pershing has no obligation to: (i) locate Beneficiaries; (ii) question or investigate the circumstances of my death as it is reported to them; (iii) determine the age or any other facts about a Beneficiary as per FINRA Rule(s) 2090, 2011 or any other applicable "Know Your Customer" rule; (iv) appoint a custodian or guardian for any minor Beneficiary; (v) locate or notify any spouse(s), children, or other heirs of mine upon my death; (vi) verify the legality of any distribution under the applicable probate, estate and transfer on death laws of any state where transfer takes place; or (vii) determine which state's law is applicable.

13. Because not all states may recognize a Transfer on Death registration, I acknowledge that Pershing is not making any representation as to the validity of this registration as a means of transferring on death in my case. I also acknowledge that I am not relying upon Pershing for any assurance as to the validity of the Transfer on Death registration and that I will consult with my own attorney or advisor with respect to its appropriateness for me. If I live in a state that does not recognize Transfer on Death registration, the assets in the account shall be transferred in accordance with the laws of the State of New Jersey. If I am a non-U.S. individual establishing this account, I acknowledge and agree that neither Pershing nor my broker-dealer is responsible for compliance with the laws of succession or forced heirship, if any, in my country or domicile and that the assets in this account shall be transferred in accordance with the laws of the State of New Jersey. I acknowledge and understand that this account may be subject to the U.S. Non-Resident Alien Estate tax and agree that neither Pershing nor my broker-dealer is responsible for my compliance with U.S. tax laws.

15. ARBITRATION AGREEMENT

ANY CONTROVERSY BETWEEN ME AND MY BROKER DEALER OR PERSHING SHALL BE SUBMITTED TO ARBITRATION BEFORE THE FINANCIAL INDUSTRY REGULATORY AUTHORITY.

NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PREDISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO HAS INITIATED IN COURT A PUTATIVE CLASS ACTION; OR WHO IS A MEMBER OF A PUTATIVE CLASS WHO HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL; (I) THE CLASS CERTIFICATION IS DENIED; (II) THE CLASS IS DECERTIFIED; OR (III) THE CUSTOMER IS EXCLUDED FROM THE CLASS BY THE COURT.
